

Dear ARA President,

I would like to thank you for organizing the 40th ARA congress. I have been following the growth and successful achievements of ARA via your Newsletter. It is always a pleasure for me to be part of the prestigious ARA family. Unfortunately, I will not be available to join you during the 40 ARA congress. However, I would be grateful if I could be of any kind of help.

Thank you very much.

Sincerely,

Masoud Rahman, PhD

Senior Researcher on Renewable Energy

University of California, Davis
